TO THE PUBLIC.

THE more ased demand for Dr. of LANE'S LIVER (ILL, since their introduction by us as his agents, has far exceeded our most sanguine expectations. It is now about TEN YEARS since they were brought before the public. During this time hundreds of certificates have been handed us, testifying to their efficacy, and stating the very great relief they had derived from the use of them. We have now in our possession many certificates from respecta-ble persons, who have used Dr. M'LANE'S LIVER FILL with the most happy results, where every other known remedy has been used in vain. Also, quite a number of regular physicians, of good standing, through the country, are using and recommending them in their practice.

It has been our sincere wish, that these Pills should be fairly

and fully tested by experience, and stand or fall by the effects produced. That they have been so tested, and that the result has been in every respect favorable, we call thousands to witness, who have experienced their beneficial effects. Or. M'LANE'S LIVER PILLS are not held forth or rec mended (like most of the popular medicines of the day) as univer-sal cure-alls, but simply for LIVER COMPLAINTS, and those

symptoms connected with a deranged state of that organ.

J. RIDD & CO. Dr. M'Lane's Liver Pill. The demand for these Pills is truly surprising! Country mer-chants who heretofore could hardly be induced to purchase one

deten, now buy six. Read the following from New Castle, viz:
New Castle, Feb. 14, 1847. Mesors. J. Kidd & Co. Gentlemen,—Please send me another half gross of M'Lane's Pills. The half gross I purchased a few months ago are all sold—indeed, since my customers have used scarcely sell any other, although I am agent for most of the Pills now before the public.

dren, from tender infancy to advanced age, lays under no restraint as to cold water, or any kind of food. Purges mildly, subduing fever-destroys and expels worms with invariable success-and

still claiming the additional advantages of being given in small bulk, and requiring none of the drenching which Worm Tes and other supposed Vermitages demand. During its brilliant career, it has been introduced into many families, where every other known and accessible Vermitage has been tried without the least success. where it has promptly expelled Worms to an almost incredib

amount.

As evidence of the surprising effects of Dr. M'LANE'S WORM SPECIFIC, we give the following:

On Saturday, February 7th, 1846, Mr. James Richardson called at the Drug Store of J. Kidd & Co., corner of Wood and Fourth streets, Pittsburgh, Pa., and made the following statement — A child of mine had been very sick for some ten days—we had given her purgative medicines, but it had done her no good. One of our neighbors came in and said it was Worms that was destroying the child, and at the same time spoke of the wonderful effects she neighborhood. We procured a visl-gave one tea-spoonful, and the child discharged forty-ine worms. I then gave another tea-spoonful, which brought forty-six more, making in all eightyeight Worms. As a duty I owe to you, and the community at large, I freely make known these facts. My child is now well. What is most remarkable, the Worm Specific expelled the Worms alive, in about four hours after I gave it to the child."

More and Later. Messrs. Kidd & Co. Gentlemen, -I gave the vial of Dr. M'-Lane's Vermifuge, which I bought from you the other day, to a child of m.ne. The result was extraordinary. She passed one handred Worms. It is truly a surprising medicine.

Her disease was pronounced consumptive, and during her sickness she raised very large quantities of Blood. Her Cough was incessant, her weakness and emaciation very great. After using the Olosnonian, or All Healin Balsam a short time, she was entirely relieved, and is now attending

Artemas Raymond, who resided during his sickness at 339 Madison street, but has since removed to Providence, R. I., was attended by seven of the best physicians in the city. They attended him the better part of three months and gave up his case as hopeless. They pronounced his disease an Absense or Ukeration of the Liver, and Scrofula must die, as his Lungs were entirely gone. He had a monstrous tu-mor in the side, which was opened and discharged over three pints of matter from the Liver, exactly resembling that raised from the Lungs. SMITH'S TONIC SYRUP, For the Cure of Ague and Fever, Or Chills and Fever.

THE proprietor of this celebrated medicine justly claims for it a supe fority over all other remedies ever offered to the public for the safe, certain, speedy, and permanent cure of Ague and Fever, or Chills and Fever. He refers to the whole Western country to it fail to cure if the directions are strictly followed and carried out, and with this assurance he is fully prepared to warrant a cure in all forms whatever of Ague and Fever or Chills and Fever, whether of short or long standing; and all persons selling it are hereby authorized to return the money to persons who may have used it as directed, when it shall have fairly failed to cure. In a great many cases a single dose has been sufficient for a cure, and in several instances a whole family have been cured by a single bottle with a perfect restoration of the general health. It is prudest in every case, and more especially in those of long standing, to continue the use of this medicine for several days after the disease is checked. Most usually this medicine will require no aid to keep the bowels in good order; should the patient, however, require a cathartic medicine after having taken three or four does of the Tonic, a sin gle dose of Lee's or Cook's Pills, or any of the ordinary cathartics,
